Travel details

It is possible to travel to Karlstad by air (airport code KSD), there are two daily connections from Frankfurt and a couple from Stockholm. If you arrive by air please let us know when and we will try and organise a pickup, there are no regular buses and you would need to pre book taxi if you don't organise pick up by us.

It is also possible to travel by train from Gothenburg, Stockholm or Oslo which have larger airports. Oslo being the closest, followed by Gothenburg and then Stockholm, however timewise by car it is about the same (about 3 hours).

With best wishes.

Kesshu.

Sincerely yours,

Anders Pettersson
